FCA TO BENEFIT FROM MAY 31 "KIDS FOR KIDS" FUNDRAISER
Battle of the Bands Competition for a Cause in Weston to Showcase Local Talent

NORWALK, CT (April 29, 2008)—Charity not only begins at home, it begins with today's kids. That's the idea behind the Weston-based group Kids 4 Kids whose May 31st Battle of the Bands fundraiser will benefit Norwalk's Family & Children's Agency. From 7 – 10 p.m. the rafters of the Parish Hall of Weston's Norfield Church will rock with the sounds of middle school bands from throughout Fairfield County. And while having a great time, those in attendance will be raising funds for a great cause and showing the greater community that kids really can make a difference.

The Kids 4 Kids Battle of the Bands fundraiser is still looking for middle school rock bands to join the fun and fundraising. To have your band participate, contact Gianna at 203-221-7949 or gbavido@aol.com.

Family & Children's Agency is a not-for-profit family serving agency that strengthens the communities of southwestern Connecticut by connecting those in need with skilled professionals in counseling, mental health and substance abuse services, senior services, family support, youth development, homeless services, and adoption programs. For more information, visit www.familyandchildrensagency.org or call Family & Children's Agency at 203-855-8765.

Tickets the Kids 4 Kids Battle of the Bands fundraiser at Norfield Church Parish Hall (64 Norfield Road in Weston) are just \$10 for students and \$15 for adults.
