

This Mother's Day, Honor an Extraordinary Woman in Your Life by Helping At-Risk Mothers and Children

With your special donation of **\$100 or more**, FCA will mail your honoree(s) a notecard that showcases the artwork you see at the right, which was created by a student in FCA's ASPIRE after-school program. The card will explain that you have chosen to honor the recipient by donating to support FCA's life-changing programs.

Limited Time Opportunity!

Gifts must be received by April 18 to ensure your card(s) will be received by Mother's Day.

Honor someone special to you by helping mothers and children in our community through your support of Family & Children's Agency (FCA).
Your gift will help provide:

- In-home guidance for a first-time mother
- Educational resources for a parenting group
- Prenatal education to ensure more full-term, healthy births
- Programs to reduce childhood abuse and neglect
